Dear Professor Sharma,

I hope you are doing well.

I am writing to respectfully request an extension for submitting the Data Structures assignment, which is currently due on 31 march 2026. Due to some unexpected personal circumstances and overlapping academic deadlines, I have not been able to complete the assignment to the best of my ability within the given time.

I sincerely value your course and want to submit quality work that reflects my understanding of the subject. Therefore, I kindly request an extension of 3 days to complete and submit the assignment properly.

I apologize for any inconvenience caused and truly appreciate your understanding and consideration.

Thank you for your time.

Sincerely,

Aditya kushwah

Dear Internship Coordinator,

I hope this message finds you well.

My name is Aditya kushwah, and I am currently a 1st-year int.Mtech student in AI at vellore Institute of Technology,Bhopal. I am writing to express my interest in a summer internship opportunity at your organization.

I am keen to gain practical experience in software development and enhance my technical skills. I have a foundational knowledge of programming languages such as C++ and Python, along with basic understanding of data structures and problem-solving techniques. I am highly motivated to learn and contribute effectively in a professional environment.

I would be grateful if you could consider my application for any available summer internship positions. I am willing to dedicate my time and effort to learning and contributing to your team.

Please let me know if any further information or documents are required. I look forward to your response.

Thank you for your time and consideration.

Sincerely,

Aditya kushwah
